

## Kicking Off the Future of Mobility Management

At the Association of Mobility Managers, our mission is to empower members with the resources, connections, and knowledge needed to champion innovative, flexible, and sustainable mobility solutions.

Members gain exclusive access to industry insights, best practices, and a collaborative network dedicated to connecting communities and enhancing transportation options tailored to local needs. By joining, you'll have the tools and support to make a meaningful impact in mobility and expand your reach as a leader in creating accessible, inclusive transportation for all.

If you are impacted by access to mobility, transportation or have needs but don't know where to start, you can start with us! MM networks are designed to improve the overall mobility for individuals, regardless of the rider type, mode, or geography.

Becoming a member of the Association of Mobility Managers is easier than ever! Our membership forms are now available online, allowing you to apply quickly and conveniently. Whether you're a voting or nonvoting member, joining gives you access to valuable resources, networking opportunities, and industry insights

We are also excited to announce that we will be hosting our inaugural annual conference in April in OKC. This event is a great way to learn, connect, network and more. We hope to see you there!

Together, we can make a real difference in the lives of those who need it most. Thank you for your support!

## Founding Board Member Profile Highlights

### Ed Thomas

Ed was born in Monett, Missouri, and grew up in Ozark, Missouri. He became the Executive Director for the Camden County Senate Bill 40 Board, dba Camden County Developmental Disability Resources (CCDDR), in March of 2012. Since joining the CCDDR team, Ed serves in various professional and community service roles.

### Calvin Glover

Calvin M. Glover is the Regional Mobility Manager for Aaron E. Henry Community Health Center/DARTS Transportation, where he applies his extensive experience in healthcare administration and strategic planning to enhance community health services. Born and raised in Clarksdale, Northern Mississippi, Calvin is the second of three children.

### Olivia Hook

As the Mobility Management Director at the Oklahoma DOT, Olivia is responsible for implementing the new Oklahoma Mobility Management Program. Previously, Olivia was the statewide mobility coordinator at the Ohio DOT, where she led the Nationally recognized Ohio mobility management program.

### Michelle Coats

Michelle Coats was the first full-time Mobility Manager in Kansas and works closely with all of the public transportation providers in eight counties. She has helped to establish the 81 Connection fixed route, the Kansas Rides website, KANcycle regional bike sharing, the Moving Kansas Network, the Salina Mobility Working Group, the Salina County Food Action Community Team, and more.

### Enjoli Dixon

Enjoli Dixon is a seasoned professional with over 20 years of experience in the design and transportation industry, both in the U.S. and internationally. She is renowned for her advocacy in public transit and mobility management, making significant contributions across public, private, and non-profit sectors, particularly through the Coordinating Council on Access and Mobility (CCAM).

### Steve Workman

Special Advisor to the Board

Steven Workman is the Director of Transport New Hampshire which provides technical assistance to build capacity & partnerships across government agencies, coordinating councils, providers, and stakeholders to increase public and elected officials understanding, support and use of transportation services in N.H.

## Become a Member!

Interested in becoming a member of the Association of Mobility Managers? We would love to have you!

The Association of Mobility Managers brings together professionals dedicated to enhancing mobility and improving transportation systems in communities across the nation. Membership provides valuable opportunities to connect with peers, share knowledge, and collaborate on innovative solutions to mobility challenges.

Whether you are a mobility manager, transportation provider, advocate, or partner agency, we invite you to join us in advancing our mission of making transportation more accessible, equitable, and efficient for all.

Whether you're applying as a voting or nonvoting member, your membership supports a shared vision of accessible and equitable transportation for all. We look forward to welcoming you to the Association of Mobility Managers! Both forms are on the website.

### Voting Members

Voting members play an integral role in the direction of the Association. These members are individuals or organizations directly involved in mobility management, such as professionals managing transportation programs, coordinating services, or working to expand mobility options in their communities.

Voting members have the exclusive privilege of participating in elections, shaping organizational policies, and serving on committees or the Board of Directors.

### Non-Voting Affiliates

Nonvoting membership is open to individuals, businesses, and other organizations interested in supporting the goals of the Association without direct voting privileges. This membership level is ideal for stakeholders such as industry partners, community advocates, researchers, or anyone passionate about mobility and transportation.

Nonvoting members enjoy access to educational resources, networking opportunities, and member-exclusive events.

## 2025 Inaugural Conference: A Collaborative Future for Mobility

The Association of Mobility Managers is excited to invite professionals, practitioners, researchers, academics, and activists for our Inaugural **Annual Conference, A Collaborative Future for Mobility**, taking place April 5, 2025 – April 8, 2025, in Edmond, Oklahoma. This event will showcase a variety of presentations, sessions, and posters covering a wide range of transportation coordination and mobility management topics!

Our tentative **Conference Schedule** is posted online.

**Call for Proposals:** We invite industry professionals, transportation experts, and community leaders to submit proposals for workshops. Complete the form to submit your proposal by 11:59 PM CT on Friday, February 14th.

**Registration:** We are committed to making the inaugural Mobility Managers Conference accessible to all professionals in the field. Registration fees are designed to be affordable while covering the costs of venue, speakers, and materials. Pricing includes access to all sessions, networking opportunities, and conference materials. Detailed pricing tiers, including early bird discounts and member rates, can be found on our registration page.

**Become a Conference Sponsor:** This is a unique opportunity to showcase your organization, connect with industry leaders, and demonstrate your commitment to advancing transportation solutions. As a sponsor, you'll gain visibility through event promotions, branding opportunities, and direct engagement with mobility professionals from across the country. Sponsorship levels offer a range of options.

*We can't wait to see you in OKC!*
